**South Carolina
State Report Card**

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Aynor High School's faculty, staff, administration and School Improvement Council are working collaboratively to help all students develop world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing students with varied curriculum and instructional methods that facilitate achievement for all students. We offer academic programs that allow students to take courses within our IB, AP, honors, CP, CATE, and work study curriculums. Our purpose is to develop the potential of each student and ensure that all graduates become productive members of their community, able to adapt to a diverse, ever-changing world.

As a "High Schools That Work" (HSTW) school, and in conjunction with our school district's PDL and Blended Learning initiatives, our administration and faculty focuses on key practices that engage students in academic and career/technical coursework that provides rigorous standards to challenge and prepare students for college and career readiness. Some of the key practices implemented include: high expectations, critical thinking and problem solving techniques, creativity and production, work-based learning, collaboration and teamwork, career/technical studies, media and technology integration, and interpersonal skills.

Aynor High School earned a South Carolina Palmetto Gold Award with a grade of "A"; for the 4th consecutive year earned a Silver Award for US News Best High Schools; ranked #16 among 214 high schools in South Carolina. Our senior class earned more than \$3 million in scholarship money. Aynor High School's International Baccalaureate Program increased in enrollment numbers with a greater number of students pursuing the IB certificate or diploma. AHS passage rates on end-of-course, SAT, and ACT testing exceeded those of the district and state. Our school earned academic as well as athletic recognitions on the district, regional, and state levels.

Our varsity girls' softball team won the State AA State Championship; two wrestlers won State Championship titles for their weight division; our art teacher received the SCDE Distinguished Arts Program Grant. These funds will be used to implement C.A.P. a Cultural Awareness Program as a school-to-community project-based learning initiative through the arts. We look forward to the coming school year while recognizing with gratitude those who have helped AHS to be an exemplary school!

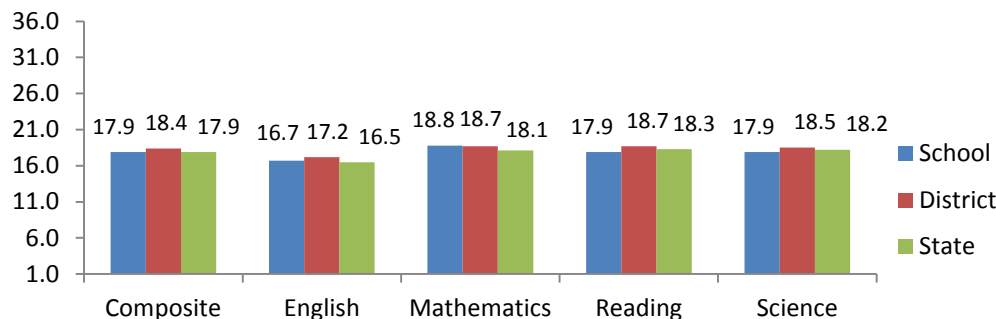

Respectfully submitted,

Janet Lawrence-Patten, Principal

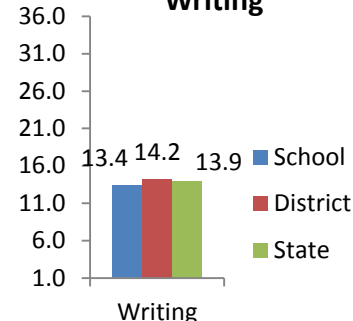

Diane Bagnal, AHS School Improvement Council Chairperson

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

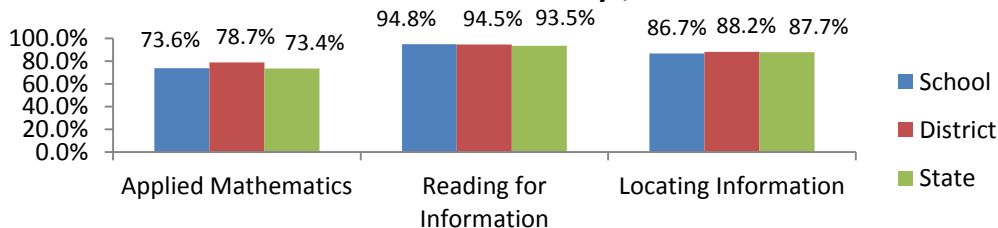

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
39.8	26.4	21.9	16.9	10

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
